

Dekalb Preparatory Academy 2018-2019 Student Supply List 1st Grade

Welcome to 1st Grade!!!

When you bring supplies to school please DO NOT write your child's name on them. Please make sure that all supplies are a solid color. This is because all supplies will be community supplies. For example, when a student's folder rips, I will write their name on a new one and give it to them, etc.

On the first day of school, everyone coming in the classroom with supplies in tow is always hectic! To make it go as smoothly as possible, shelves will be labelled with different types of supplies. Please help your child put their supplies where they go. The teacher will assist any child without a parent present. Thank you!
